NATIONAL SERVICE SCHEME

REPORT

Name of the Activity: NSS Day Celebration

Date: 24.09.2022

The National Service Scheme (NSS) is a public service program conducted by the Ministry of Youth Affairs and Sports. Every year, NSS day is observed on September 24th across India. The National Service Scheme was launched in 1969, the Birth centenary year of Mahatma Gandhi in 37 Universities involving 40,000 students. It has now been extended to all the states and Universities of the country. In the year 1952, the government emphasized the requirement of social and labour service by Indian students for a year.

The NSS Day celebrations began with a formal inaugural speech by our esteemed Principal Dr. K. Moses who shared inspiring thoughts on the importance of community service and the role of NSS in strengthening social responsibility.

Awareness campaigns focusing on hygiene, health and education were conducted throughout the day. NSS volunteers actively interacted with college students and distributed leaflets to create awareness about these important issues. As part of the NSS Day celebrations, a cleanliness drive was conducted in and around the college premises. Volunteers enthusiastically participated in the campaign, picking up litter and promoting a cleaner and greener environment.

Recognizing the importance of environmental protection, a tree planting campaign was organized. NSS volunteers planted crops in designated areas on the college campus, supporting the college's commitment to sustainability.

The programme was closed by taking NSS oath and singing Janagamana song.
