### REPORT

Name of the Activity: INTERNATIONAL LITERACY DAY

The theme, "Transforming Literacy Learning Spaces

Date: 08-09-2022

International Literacy Day, observed annually on September 8th, stands as a testament to the profound impact of literacy on individual lives and the global community. The United Nations Educational, Scientific and Cultural Organization (UNESCO) established this day in 1966 to promote and celebrate the importance of literacy as a foundation for learning, personal growth, and societal development.

The event commenced with a brief opening ceremony, which included a welcome address by the Principal DR. Moses, in his address insisted on the importance of skills of language: reading, writing, speaking and listening. Education is the means to open the vista of life. He invoked all the stakeholders to be the part of the noble mission to enlighten the human minds through education. He also expressed that digital literacy is also required for each and every human being. He gave a message of the day that is reading the past, writing the future. He urged that in this era illiterate is the person who is not aware of computer knowledge.

Programme officer DR. Pradeep expressed that everybody should be aware of that education under Indian Constitution is the fundamental right of the citizen and every one must access to it. He reminded the duties of teachers, students, parents and emphasized that if everybody is aware of his/ her duty. He also expressed that earning money is not the aim of education and also spoke about the importance of education and values of education, emphasizing that poverty can be eradicated only by education.

Essay writing competition was held and prizes were distributed to students.
