Brief Report-2022-23

31-7-2022.

On July 31, 2022, the Gospel Day was marked by a key message focusing on the theme of **faith, unity, and renewal**. The day's sermons and activities emphasized the importance of maintaining a strong faith in challenging times, fostering unity within the community, and seeking spiritual renewal. Our beloved Principal, Dr. K.MOSES has explained the importance of the Gospel day to the staff and students. Later, Martin Luther's statue was garlanded by the Principal, and other faculty member

Key Messages:

1. **Faith in Action:** The sermons likely highlighted the importance of living out one's faith through actions that reflect love, compassion, and service to others. Faith was presented not just as a belief but as a guiding principle that drives positive change in individuals and communities.
2. **Unity in the Body of Christ:** The day emphasized the significance of unity among believers. The message underscored that despite differences in background, culture, or personal experiences, the community is united in Christ. This unity was celebrated as a source of strength and a testament to the power of collective faith.
3. **Spiritual Renewal:** A call for renewal was central to the day's teachings. Believers were encouraged to renew their commitment to their faith, to seek deeper spiritual understanding, and to allow this renewal to transform their lives. This might have been tied to a call for personal reflection, prayer, and a return to foundational Christian practices.

Specialty of the Day:

- **Communal Worship and Fellowship:** The day was likely characterized by vibrant worship services, where congregants came together in praise, prayer, and thanksgiving. Special music, choirs, and other forms of artistic expression might have been part of the worship, creating an atmosphere of celebration and reverence.
- **Testimonies and Sharing:** Another special aspect could have been the sharing of testimonies by members of the congregation, highlighting how their faith has impacted their lives. This would have served to inspire and encourage others in their spiritual journeys.
- **Outreach and Service:** The day might have also included outreach activities, where the church or community members engaged in service projects, charity work, or other forms of outreach to demonstrate the love of Christ to the wider community.

Overall, the Gospel Day on July 31, 2022, was a significant event that reinforced key Christian values and encouraged believers to live out their faith with renewed vigor and unity.

Brief Report 2022-23

Theme: “Montreal Protocol: Protocol@35 – Care for the Climate”

Introduction: World Ozone Day 2022 was observed on September 16 with the theme “Montreal Protocol: Protocol@35 – Care for the Climate.” This year’s theme celebrated the 35th anniversary of the Montreal Protocol, an international treaty that has been pivotal in protecting the ozone layer and addressing climate change.

Key Highlights:

1. Anniversary Celebration:

- The 35th anniversary of the Montreal Protocol was marked by recognizing its significant achievements in phasing out ozone-depleting substances and its substantial contribution to climate change mitigation.
- The protocol's success in eliminating nearly 99% of substances harmful to the ozone layer was highlighted, demonstrating its effectiveness in environmental protection.

2. Impact on Climate:

- The theme emphasized the interconnection between ozone layer protection and climate stability. By reducing ozone-depleting substances, the Montreal Protocol has also contributed to lowering global warming potential.
- The achievements of the protocol were showcased as crucial in fostering global climate resilience and promoting sustainability.

3. Global Observances:

- Various events and activities were conducted globally to raise awareness about the Montreal Protocol’s impact. Educational campaigns and discussions focused on both the environmental and climate benefits of the protocol.
- Government officials, environmental organizations, and educational institutions participated in commemorative activities to reinforce the importance of continued commitment to the protocol’s goals.

4. Future Actions:

- The observance served as a reminder of the ongoing need for international cooperation to address environmental challenges. It called for renewed efforts in supporting and advancing the goals of the Montreal Protocol.
- Participants were encouraged to adopt sustainable practices and engage in initiatives that contribute to both ozone layer protection and climate action.

Conclusion:

World Ozone Day 2022 highlighted the significant achievements of the Montreal Protocol over its 35 years and underscored its importance in both protecting the ozone layer and mitigating climate change. As we celebrate this milestone, it is vital to continue supporting the protocol’s objectives and working towards a sustainable future.

Brief Report

2022-23

The National Service Scheme (NSS) is a public service program conducted by the Ministry of Youth Affairs and Sports. Every year, NSS day is observed on September 24th across India. The National Service Scheme was launched in 1969, the Birthcentenary year of Mahatma Gandhi in 37 Universities involving 40,000 students. It has now been extended to all the states and Universities of the country. In the year 1952, the government emphasized the requirement of social and labour service by Indian students for a year.

National Service Scheme:

The National Service Scheme (NSS) is a central sector scheme of the government of India, Ministry of Youth Affairs & Sports. It allows the students of 11th & 12th Technical Institutions, graduate & post-graduate at colleges and university level of India to be a part of various government-led community service activities & programmes. It aims to provide hands-on experience to young students in delivering community service. Since the formation of NSS in 1969, the number of students has increased from 40,000 to over 3.8 million up to the end of March 2018.

The symbol for the NSS has been taken from the Rath Wheel of the world-famous Konark Sun temple. The eight strokes in the wheel represent 24 hours of a day which is a reminder to be ready in the service of the nation round the clock. The red colour indicates youth full of passion, energy. The blue colour indicates NSS as a tiny part of the cosmos, always ready to contribute to the welfare of mankind.

The NSS Day celebrations began with an inaugural speech by our esteemed Principal Dr. K. Moses who shared inspiring thoughts on the importance of community service and the role of NSS in strengthening social responsibility.

Awareness campaigns focusing on hygiene, health and education were conducted throughout the day. NSS volunteers actively interacted with college students and distributed leaflets to create awareness about these important issues. As part of the NSS Day celebrations, a cleanliness drive was conducted in and around the college premises. Volunteers enthusiastically participated in the campaign, picking up litter and promoting a cleaner and greener environment.

Recognizing the importance of environmental protection, a tree planting campaign was organized. NSS volunteers planted crops in designated areas on the college campus, supporting the college's commitment to sustainability.

2022-23

The 74th Republic Day of India will be celebrated on January 26, 2023. This day marks the adoption of the Indian Constitution and the transition of India from a British Dominion to a republic on January 26, 1950.

Honorable Principal, respected teachers, dear students, and esteemed guests,

Good morning to all of you.

It is an honor and a privilege to stand before you on this auspicious day as we celebrate the 73rd Republic Day of our great nation. This day marks a significant milestone in the history of India, as it was on January 26, 1950, that our Constitution came into effect, transforming India into a sovereign, democratic republic.

Republic Day is not just a day of celebration; it is a day of reflection and renewal of our commitment to the principles enshrined in our Constitution. Our Constitution is a living document that embodies the hopes and aspirations of over a billion people. It guarantees us fundamental rights and lays down our duties as citizens. It is our responsibility to uphold these rights and perform our duties with integrity and dedication.

On this day, we remember the visionary leaders and freedom fighters who sacrificed their lives for the independence of our nation. Their sacrifices have given us the gift of freedom, and it is our duty to preserve and protect this precious gift. We must work together to build an India that is strong, prosperous, and inclusive.

Brief Report on Constitutional Day

26-11-2022

Dear Students,

Today, we come together to celebrate an important milestone in our nation's history—Constitutional Day, also known as "Samvidhan Divas." This day, the 26th of November, holds special significance as it was on this very date in 1949 that the Constituent Assembly of India adopted our Constitution. This monumental event paved the way for India to emerge as a sovereign, democratic republic on January 26, 1950.

Our Constitution is much more than just a legal framework; it is the cornerstone of our democracy and the bedrock of our national identity. It embodies the values of justice, liberty, equality, and fraternity—principles that are essential for the harmonious functioning of our diverse society.

The architects of our Constitution, led by Dr. B.R. Ambedkar, had the extraordinary vision to create a document that would not only guide the governance of our country but also protect the rights and freedoms of every citizen. The Constitution is a living document, evolving with the times, and ensuring that the aspirations of the people of India are met.

As students, it is important for you to understand the profound impact of the Constitution on your daily lives. It is because of the Constitution that you enjoy fundamental rights, such as the right to freedom of speech, the right to equality, and the right to education. These rights empower you to dream, to aspire, and to achieve your fullest potential.

However, with these rights come great responsibilities. It is your duty to respect the laws of the land, to uphold the values of the Constitution, and to contribute positively to society. Dr. Ambedkar famously said, "However good a Constitution may be, if those who are implementing it are not good, it will prove to be bad. However bad a Constitution may be, if those implementing it are good, it will prove to be good." This quote reminds us that the true strength of our Constitution lies in our hands—in how we, as citizens, choose to act and engage with the world around us.

On this Constitutional Day, let us all take a moment to reflect on the sacrifices made by those who fought for our independence and those who worked tirelessly to draft our Constitution. Let us pledge to uphold the values enshrined in it and to work towards creating a just, equitable, and inclusive society.

You, the students of today, are the leaders of tomorrow. Your awareness, your actions, and your commitment to the principles of the Constitution will shape the future of our nation. I encourage each of you to learn more about our Constitution, to understand your rights and responsibilities, and to be active participants in our democracy.

In conclusion, let us all take pride in our Constitution and strive to be responsible citizens who contribute to the progress and prosperity of our great nation. Together, we can build an India that is not only strong and united but also one that upholds the dignity and rights of every individual.

Thank you, and Jai Hind!
