AWARENESS ON PLASTIC BAN

Name of the Activity	: Awareness on Plastic Ban
Date	: 07-06-2022
Organizer	: C/T. K. Ravi
No of Participants	: 16

Objectives:

- To spread how to reduce use of plastic and to emphasize the beneficial management of plastic waste.
- Efficient transformation of plastic into energy and fuel.
- Making our environment an eco-friendly zone.

Outcomes:

- The awareness gave a clear message; not to consider plastic bags as trendy and user-friendly but a single destructive army. So, go back to traditional cloth bags.
- The awareness increased public understanding and shaped community perceptions on the dangers of plastic pollution and available solutions, thereby empowering more people and organizations to take action.

Description:

Increasing plastic waste in the world environment is adversely affecting mother earth and humans. Due to lack of awareness, it is frequently either dumped carelessly on land, roads or in rivers. In order to reduce the plastic consumption and acquainting the young minds regarding their responsibility towards plastic pollution, awareness program was organized by the NCC department of Andhra Christian College, in collaboration with 2(A)ARMD SQN NCC on 07-06-2022. The aim of awareness was to join hands for Prime Minister's Shri Narendra Modi's National Cleanliness Campaign 'Swachh Bharat Mission' and to sensitize the young cadets against the harms to natural environment posed by increasing plastic usage. Young cadets urged the residents to stop using plastic against the ill effects.

Our NCC cadets cleaned the surroundings by picking the plastic or other garbage.
