The Institution with its glorious 138 years history of selfless service and sacrifice standing as a beacon in the field of education, was founded on the strong pillars of faith, prayer, sacrifice and service. The Institution enjoys the unique and proud position of being the oldest premier Institution adhering to the old traditional conservative ideas with broad outlook of modernity. The vision and the mission of the Institution is manifested in and through every activity undertaken by addressing the needs of students who seek its service and that of the society.

- The ardent belief and sublime aspirations of the founding fathers of the Institution originating from selfless sacrifice form the core of the mission; the mission of providing the highest standards of education based on Christian principles and human values to men and women of all sections in general and in particular to the marginalized sections of society.
- The unique and distinctive feature of the mission is to inculcate those human values which impart good character, leadership qualities and foster those human values that facilitate the development of holistic personality and transforming them as worthy citizens.
- The Institution believes that its goal remains half-fulfilled without educating women of our society and for this reason it adopted co-education policy. On the foundations of its past glory the Institution has been building vision for the future.
- The College has adopted all the means of modernism to meet the dynamics of the ever-changing world without compromising on its traditional values.

### History:

The Institution established and administered by the Andhra Evangelical Lutheran Church in the year 1885 by the Christian Missionaries of United States of America, administers the Institution through its Executive Council and the Board of College Education.

- The Institution is affiliated to Acharya Nagarjuna University and runs as per the academic curriculum designed by the University.

- The Management, Principal and the faculty always make great efforts to design and implement the policies and plans of the Institution to fulfill the vision and mission of the founding fathers.
- The basic philosophy of the Institution is to provide quality education through which an individual can be molded into a responsible citizen with human dignity and values.

#### **The Principal:**

- The Principal being the chief executive of the College administers the Institution with the assistance of the Associate Principal, the Vice- Principals, Heads of the Departments and the staff.
- The principal takes all measures to ensure the students to meet the dynamic challenges of the persisting society and creates confidence in stakeholders.
- The IQAC designs all the academic programmes of the ensuing year in consultation with the Principal and implements the same to the maximum extent possible.
- In designing and implementing of the qualitative policies and plans of the Institution, the responsibility is decentralized and vested in various committees that take care of different aspects.
- The office administration is assisted by the Office Superintendent / Manager under the control of the principal with the help of various clerical staff.

As the head of the Institution, the Principal is kept informed and updated of the changes that take place in the preview of top Management. The same is used to add quality and relevance to the policies and programmes initiated by the Institution.

#### **Involvement of the leadership:**

Basing on the past experiences and the current trends, the future programmes are designed.

- People at helm of academic administration are responsible for the policies and action plans to be fulfilled at the core level. They deploy various persons for proper functioning of the scheme. Leaders are well acquainted with challenges of the Institution.
- The leadership interacts with the stakeholders of the Institution like parents, alumni, former staff members, community leaders for ensuring their support for the development of the Institution.
- The leadership sketches the plan and initiates necessary action to materialize the plan. The plans are drafted by analyzing the needs and requirements of the Institution through a thorough need-based discussion by the expert faculty and fulfilled through the support of stakeholders.
