Education is what makes a person fearless, teaches him the lesson of unity, makes him aware of his rights and inspires him to struggle for his rights. An education that does not make a person capable, that does not teach him equality and morality, is not true education. True education cradles humanity, generates sources of livelihood, imparts wisdom and imbues us with egalitarianism. True education makes society alive.

Sri. Nara Chandrababu Naidu
Hon'ble Chief Minister of Andhra Pradesh
