## 6.2.2 Implementation of E-Governance in Administration

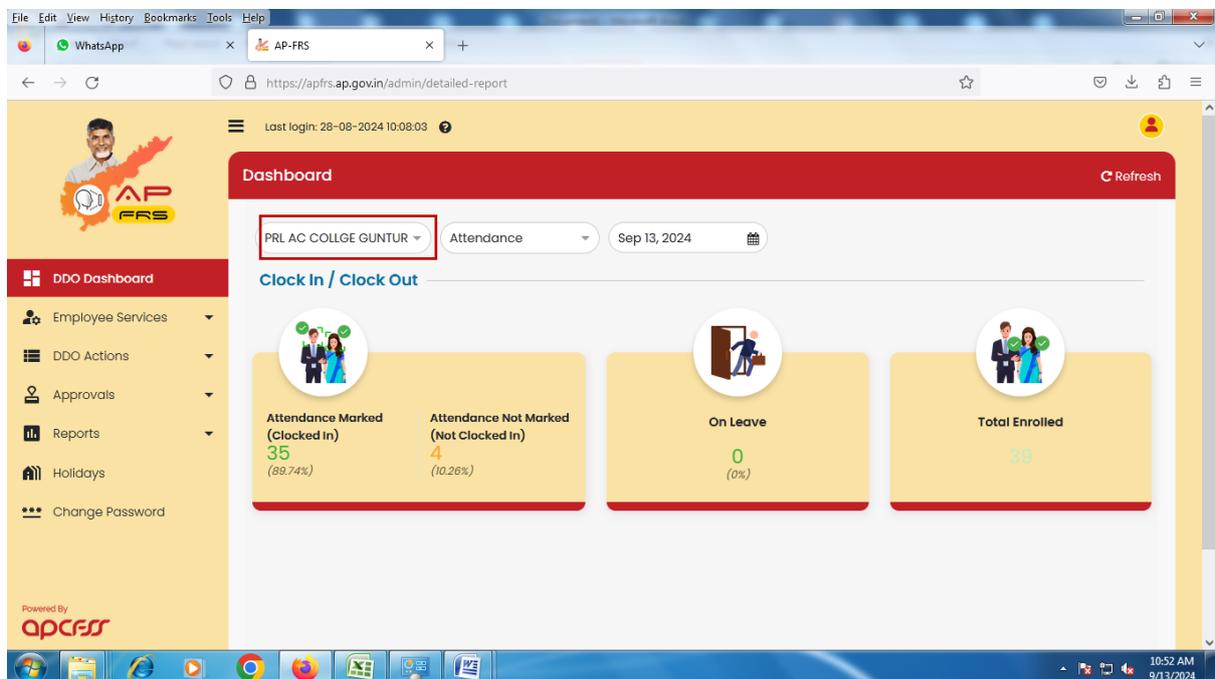

The Commissioner ate of Collegiate Education has been constantly endeavouring to catch up with the world of information and education technology by creating different APPs for staff attendance and online reporting of teaching learning activities. Among them the we have been implementing the following e-governance applications in respect of administration

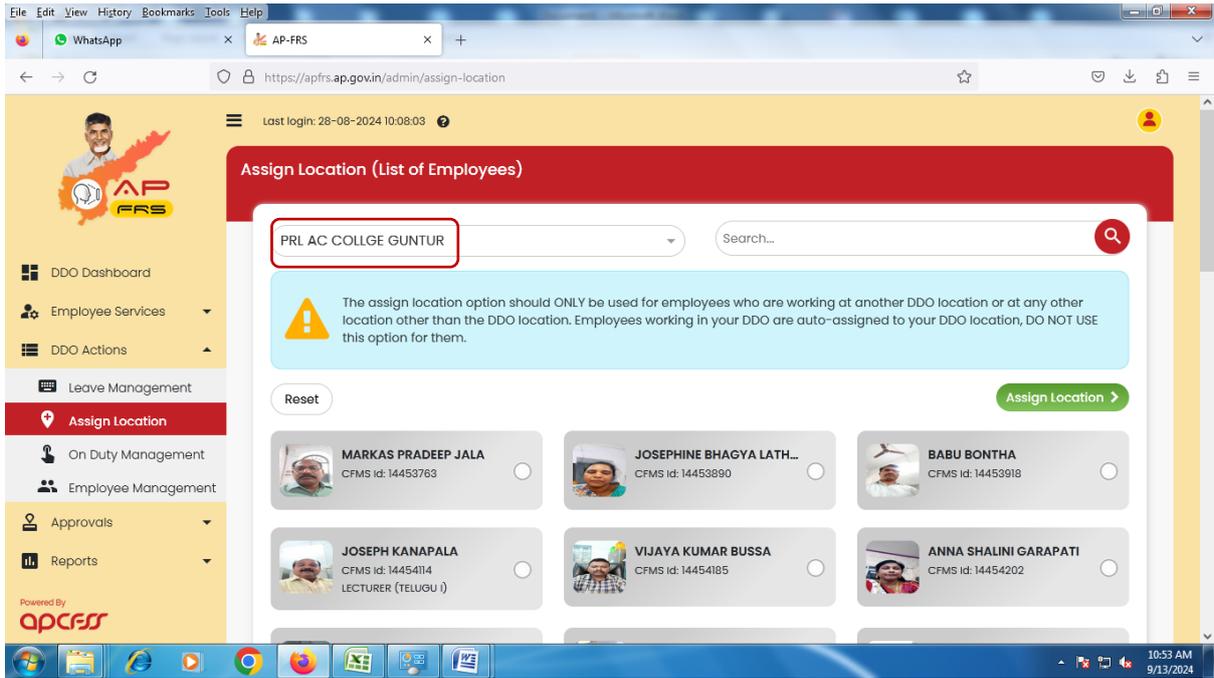

Government of Andhra Pradesh has developed Software application which is used for Students and Staff Andhra enabled Biometric Attendance system connected to Chief Minister’s Dash Board and the attendance is monitored through online by the Higher authorities.

## AP FRS APP:

The government of Andhra Pradesh has introduced facial recognition system through an app for the all the government employees in the state of Andhra Pradesh which ensures more accountability and promptness in services to the public in general. We the staff of Government Degree College, Chebrole have been following the same for last one year. ***This e-governance app is procured and operated by the Commissioner of Collegiate Education, Government of Andhra Pradesh.***
